A stunning villa in Costa Nova. It sits on a plot of over 1000 square meters, and the villa itself covers more than 350 square meters. The outdoor area, with its garden, pool, and outdoor kitchen, is really well taken care of. The outdoor kitchen is perfect for laid-back summer nights, like having a barbecue with friends. There are 2 big garages that can fit 2 large cars each. Inside the villa, there are 7 bedrooms and 4 bathrooms. Three bedrooms are downstairs, and upstairs, there are 4 more. The main bedroom has its own bathroom. The living room upstairs is big and bright and connects straight to the open kitchen and the naya of the house. The naya can be used all year round because it's enclosed with glass windows. And through those windows, you get a lovely view of the garden and the pool. A stunning villa in Costa Nova.
