Butchery business with affordable rent (€450) in a privileged position in the center of Denia. Recently renovated 38 m2 commercial premises, with modern design in the center of Denia, located at street level in a busy area. The business is authorized as a butcher shop, with a valid health license and an activity license in process. It has a room to serve customers with two refrigerated display cases located in a suitable way to optimize the exhibition space of the products, the entire production area is behind in a private area, where we find the set of necessary machinery and the storage area. The premises have two bathrooms, one suitable for people with reduced mobility. The equipment that comes with the business includes: refrigerated display case (2), freezer (2), back-up refrigerator (1), refrigerated work tables (1), butcher saw (1), manual hamburger machine (2), meat grinder (1), electric knife sharpener (1), stainless steel sink (1), air conditioning (1), water heater (1), hot water pump (1), certified fire extinguishers (2), scale (1), knife set, meat trays, cash register, POS, WIFI and air recycling system. The owner of the existing business is willing to train the new owner – no prior experience in the field is required! Good profit margins, with reliable suppliers of high quality meat. Clients throughout the year, local and international. Don't miss this unique opportunity... (Ask for More Details!)
