Fantastic opportunity to purchase an established mini market in a desirable, popular and prestige resort in the Denia region of the Costa Blanca North. It is always well supported by holiday makers and local residents throughout the year. The interior of the supermarket is approximately 60m<sup>2</sup> and offers customers a varied selection of foods and merchandise that one would expect from a local mini market, also benefiting from having the facilities to cook fresh bread & croissants. The business is being sold with all the fixture and fittings included, stock can be purchased at cost and it has a very good trading history. The landlord is prepared to offer a new renewable lease with a very attractive monthly rent. The current owners are willing to stay on for an agreed period of time to introduce the new owners to local and major suppliers, AVAILABLE FOR VIEWING WITH US NOW Fantastic opportunity to purchase an established mini market in a desirable, popular and prestige resort in the Denia region of the Costa Blanca North.
